Subject: Regarding Action Plan 2013-14

Sir/Madam,

Reference to Ministry vide email dated 9th October 2012 (enclosed), the modified guidelines with format for the preparation of Action Plan for the year 2012-13 has been forwarded to the State. Instead of lengthy write ups, the plan for coming financial year would basically be a work plan with budget and annexure.

2. The document containing guidelines for preparation of PIP for Reproductive and Child Health (including immunization) and the Mission Flexible Pool component has been already sent through email to the Districts. It should be noted that the PIP 2012-13 has to be in the pre formulated budget sheet and include all the 21 annexure.

3. The timeline for submission of SPIP 2013-14 to MoHFW is 15th December 2012. Hence, all District Plans should be submitted to the State **by 1st December 2012** without fail.

4. Your timely submission will help in incorporating all the necessary proposal of the District and request to adhere to the timeline for submission of DHAP.

Yours faithfully,
